

CREEPING WIRE VINE

MUHLENBECKIA AXILLARIS

WANT A SEMI-EVERGREEN GROUND COVER TO FILL A GOOD AMOUNT OF SPACE? CREEPING WIRE VINE MAY BE YOUR ANSWER. COMPLETELY ADAPTABLE TO SUN OR SHADE CONDITIONS, IT WILL SPREAD, ROOTING AS IT GOES, TO REACH MANY FEET ACROSS. EXCELLENT FOR SLOPES, WHERE IT TRAILS TO COVER UGLY CUT BANKS WHERE LITTLE WILL TAKE ROOT. DELICATE AND ANIMATED WHEN IT JIGGLES IN THE BREEZE, IT WORKS GREAT IN HANGING BASKETS AND IN CONTAINERS. SOME EVEN FASHION TOPIARIES FROM IT! THIS IS ONE OF THE FEW PLANTS THAT PERFORMS WELL INDOORS OR OUT. DROUGHT, HEAT, AND DISEASE RESISTANT, IT REMAINS VIGOROUS THROUGH MOST OF THE DIFFICULTIES NATURE HAS TO OFFER. NATIVE TO NEW ZEALAND WHERE IT CAN BE FOUND COVERING GROUND IN ROCKY PLACES, IT IS A TOUGH LITTLE PLANT AND SUITABLE FOR MANY APPLICATIONS.
