

RED RUBIN BASIL

OCIMUM BASILICUM 'RED RUBIN'

FOOD FOR YOUR BODY; FOOD FOR YOUR SOUL, RED RUBIN IS AS BEAUTIFUL AS IT IS EDIBLE. THE FLAVOR IS VERY MUCH LIKE GREEN LEAF BASILS, WITH THE ADDED BONUS OF PROVIDING GORGEOUS CONTRAST TO SALADS AND FRESH VEGETABLES. WHEN USED TO FLAVOR HERBED VINEGARS, THE PIGMENT IN THE LEAVES IMPARTS A LOVELY MAGENTA SHADE. GROW WITH ABANDON AS A BEAUTIFUL, HARVESTABLE ACCENT IN FLOWER BEDS, MIXED CONTAINERS, TUCKED IN AMONG THE LANDSCAPING; VIRTUALLY ANYWHERE IT WILL GET SUN FOR AT LEAST $\frac{1}{2}$ THE DAY. TRULY SPECIAL.

ANNUAL

SUN TO PART SHADE
