

ELIJAH BLUE FESCUE

FESTUCA GLAUCA 'ELIJAH BLUE'

DRAMATICALLY SILVER BLUE, THIS SELECTION OF BLUE FESCUE MAKES A 1'x2' TUFT OF EVERGREEN SILVERY BLADES. DEER RESISTANT AND DROUGHT AND HEAT-TOLERANT, IT PROVIDES A LOW-CARE POP OF COLOR AND TEXTURE FOR YOUR YARD. USE IT IN DRIFTS FOR DRAMA AND AN ICY FOIL FOR VIRTUALLY ANY FLOWER COLOR. WHEN THE 2 FOOT-TALL SEED HEADS APPEAR, THEY ADD AN AIRY QUALITY TO THE DENSE MOUNDS AS THEY SHIMMER ON THE EARLY SUMMER BREEZE. GREAT FOR ROCK GARDENS, CONTAINER PLANTINGS, AND GROUND COVER, IT IS LONGER LIVED AND TIDIER THAN YOUR TYPICAL BLUE FESCUE AND RETAINS ITS COLOR YEAR ROUND. USEFUL, STURDY, EASY, AND VERY NICE.
