

MATRONA STONECROP

SEDUM SPECTABILE 'MATRONA'

A LOVELY UPRIGHT SELECTION, SEDUM 'MATRONA' IS A RATHER BEEFIER COUSIN OF THE MORE UBIQUITOUS 'AUTUMN JOY'. LARGER, DARKER LEAVES AND BEAUTIFULLY CONTRASTING BURGUNDY STEMS MAKE 'MATRONA' A STANDOUT. REACHING 24" TALL IN BLOOM, IT IS ADORED BY BUTTERFLIES. BLOOMING LATE IN THE SUMMER SEASON, ITS SOFT PINK FLOWERS ADD INTEREST TO THE TIRED, SUMMER BAKED LANDSCAPE. FULLY FROST-TOLERANT AND NEEDING LITTLE WATER, IT IS AN EASY PLANT TO USE IN DRY GARDENS, OR SIMPLY THE MORE NEGLECTED AREAS OF YOUR YARD. GEORGEIOUS.
