

# THOMPSON SEEDLESS GRAPE

VITIS VINIFERA 'THOMPSON SEEDLESS'

THOMPSON SEEDLESS IS UNBEATABLE FOR FRESH EATING, BUT ALSO KNOWN AS A RAISIN GRAPE. PALE GREEN FRUIT IS SWEET AND DELICIOUS, AND HAS A THIN SKIN WITH NO TRACE OF ANY BITTER AFTERTASTE.

DEPENDABLY PRODUCTIVE VINES AVERAGE 20-30 CLUSTERS A PIECE WITH PROPER PRUNING. GREAT FOR CLIMBING TRELLISES AND ARBORS (WILL EASILY GROW TO 30' IF ALLOWED!) WHERE THE FRUIT CAN BE PLUCKED FROM BENEATH! THIS VARIETY REQUIRES WINTER CHILL AND PREFERS HOT SUMMERS WITH LOW HUMIDITY, CONDITIONS OUR FOOTHILL AREAS DEFINITELY HAVE TO OFFER! THOMPSON SEEDLESS IS A PERENNIAL FAVORITE, A VIGOROUS GROWER, AND EASY TO GROW, REQUIRING LITTLE MORE THAN SUNSHINE AND WATER

ZONES 7-9
